- 9. Select a short article you can read, cite, and summarize in order to complete p. 136.
- 10. After you click on the title of a journal article, you will have several options on the right side of the screen, including the option to print and save. Remember that some articles are quite long, so you may prefer to save them or email them to yourself.
- 11. Return to step 5 above. In the first "AND" box, type in the word **book**\* for the author or title.

	Searching: Academic Search Premier Cho
EBSCO	book*
	AND 💌
	Basic Search Advanced Search Visual Search

12. In the second "AND" box, type in **ban\* or censor\* or challeng\*** (note the asterisks and the spelling).

	Searching: Academic Search Premier Cho
EBSCO	book*
	AND 💽 ban* or censor* or challeng*
	AND 🔽
	Basic Search   Advanced Search   Visual Search   5

- 13. Return to step 7 above and complete steps 7 through 10 to search for general articles regarding book censorship.
- 14. You may also use the library's reference books to find information on your book's challenge history.
